Serpentine

design Miquadra

Una poltroncina essenziale ed elegante. Abbina un sottile accenno agli anni '50 a proporzioni e finiture contemporanee per un perfetto connubio che valorizza sia ambienti conviviali che professionali. La linea distintiva della struttura in acciaio sostiene e abbraccia l'utilizzatore, donandole ulteriore carattere e comfort.

An elegantly compact armchair that combines a subtle fifties touch with contemporary proportions and finishes in perfect harmony to enhance both professional and social environments. The distinctive lines of the steel frame support and embrace the user, assuring added character and comfort.

Poltroncina, struttura in acciaio
Armchair, steel structure

Serpentine Outdoor

design Miquadra

Nella versione outdoor l'elegante poltroncina in metallo viene impreziosita da un insolito intreccio in cima nautica.

In the outdoor version, the elegant metal armchair is embellished with an unusual nautical rope weave.
